# Dear Fredy

**Directed by Rubi Gat**

Part of the "Screening the Holocaust Film Series"

Using cutting-edge animation, rare photographs, archival footage and witness testimony, *Dear Fredy* is a moving tribute to an unsung Jewish hero who saved hundreds of children at Theresienstadt and Auschwitz. A beloved teacher and Zionist youth leader, Fredy Hirsch used his charisma and connections with SS officers to make life a little easier for the thousands of children he supervised, shielding them, even if only temporarily, from the horrors perpetrated, and fighting until his last breath to maintain their human dignity.

**Monday, November 4, 2019
