## **Why Major in Judaic Studies?**

### **Intellectual Sophistication**

As a program and a major/minor that encourages interdisciplinary teaching and research, Judaic Studies courses are taught by scholars working at the cutting edge of their fields.

### **Academic Flexibility**

The interdisciplinary nature of Judaic Studies means that you are encouraged to take courses in a diverse range of departments and disciplines, such as English, Political Science, History, Religious Studies, International Studies, and Geography. By specializing in Judaic Studies, you retain the opportunity to continue to explore different fields even as you advance toward your degree.

### **Individual Attention**

Judaic Studies courses are typically small in size so you can be sure of receiving personal attention from your professors. Academic advising is done by the Director of the Program, Dr. Haim Shaked, who meets individually with all Judaic Studies majors and minors and is always available by appointment at 305-284-6882 or email: [hshaked@miami.edu](mailto:hshaked@miami.edu).

### **Study Abroad**

The JUS Program is working to develop summer Study Abroad options as well as semester-long Study Abroad programs, in Israel and in several European countries.

### **Library Resources**

For library assistance in Judaic Studies topics, please contact Ms. Kineret Ben-Knaan. For the Judaic Studies Research Guide please go to: <https://sp.library.miami.edu/subjects/JudaicStudies#tab-0>

## **THE PROGRAM**

The George Feldenkreis Program in Judaic Studies is a broad, flexible, interdisciplinary program designed for undergraduates to gain an understanding of Jewish civilization and its diverse cultural experiences. The program, which is non-theological in orientation, is an academic exploration of the multi-faceted, socio-historical, 4,000-year record of the Jewish people. Courses taught and combined with the program courses highlight the variety of cultural, political, social, and religious experiences of Jews in different times and places.

The program is structured to provide an in-depth liberal arts education that will constitute a foundation for advanced academic study, professional careers in a variety of fields, and a more complex and rich understanding of the world. Judaic Studies courses meet distribution requirements for Humanities and Social Sciences in the College of Arts and Sciences, the College of Engineering, the School of Communication, the School of Business, and the Frost School of Music.

### **MLL Internship**

**Instructor: Dr. Shai Cohen**

**Section: T, Tu/Th 5:05pm-6:20pm**

Internships are intended to provide students with an opportunity to apply analytical, creative, community and professional based knowledge developed in other courses. Internships can take place in the University or outside the University. They involve UM-faculty supervision as well as supervised on-site experience. Internships may not be supervised by a member of the student's immediate family. One person may not serve as both the faculty sponsor and the onsite/UM experience supervisor. Students need to fill out the internship application form. MLL 394 counts as the course in English allowed in the target language concentration. Normally 27 internship hours are required per credit earned. (The on-site supervisor or faculty supervising the work experience done at UM will supply documentary evidence of hours worked to Faculty supervisor.) A maximum of three semester hours of internship credit may be counted toward the student's degree program. Permission of MLL faculty member is required.
